About me

Enthusiastic recent MCA graduate from Bangalore University seeking a Software Engineer role. Strong foundation in programming languages and software development methodologies, with a passion for solving complex challenges. Eager to learn new technologies and apply hands-on experience in innovative software solutions.

personal

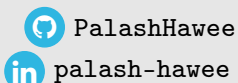

Palash Hawee
Nationality: Bangladeshi

Areas of specialization

Problem-solving • Machine Learning • OOP • Data Science • Data structures and Algorithms • Git • RESTful API • MERN • JavaScript

Interests

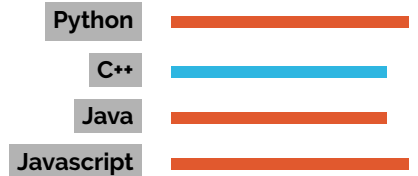

Python / JavaScript / React
Express Js / Data Science
and Analytics / Software
Development
Web Development
/ Artificial Intelligence
and Machine Learning / MERN
Stack

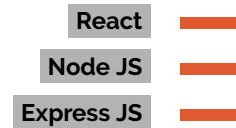

DEGREES

- 2022 **Master of Computer Applications**
MCA • Bangalore University,
India 🇮🇳
- 2018 **Electronics and Communication Engineering**
B.Sc • (IST)National University
of Bangladesh 🇬🇧
